# Breathing air

AS RECOMMENDED BY NFPA

INSURE THAT YOUR AIR MEETS GOVERNMENT PURITY STANDARDS

OSHA  
ANSI NFPA  
CGA NIOSH  
USN

You collect air sample into the sterile container that we provide for you. (Non-hazardous)

Air is tested at a laboratory certified by the American Association for Laboratory Accreditation as required by NFPA.

You will receive a certification stating that your air meets the standards you requested.

If your air does not pass, you are contacted personally, to discuss the problem and another test can be sent out once you have the problem corrected.

**Our service technicians are available to answer any questions you might have before, during, or after air testing.**

**1-800-937-2479**

LABORATORY REPORT WILL CONTAIN A BREAKDOWN OF THE LEVELS OF THE FOLLOWING:

- ◇ OXYGEN
- ◇ CARBON DIOXIDE
- ◇ ODOR
- ◇ CARBON MONOXIDE
- ◇ OIL VAPORS (Hydrocarbons)
- ◇ PARTICULATE MATTER

**CALL FOR PRICING.** QUARTERLY AIR TESTS, SEMI-ANNUAL AIR TESTS, and SINGLE AIR TEST AVAILABLE.

Semi-annual and quarterly programs are sent out automatically every six or three months respectively.

Fully illustrated parts and equipment catalog is also available.
